**Thank you for taking the time to complete this application.**

**PLEASE NOTE:** Filling out this application DOES NOT guarantee you will be able to foster. We have thoroughly evaluated all of the animals in our care, and try very hard to match the right pet to the right person/family and situation. Fostering is not a first come, first serve basis. We reserve the right not to approve a foster home.

If we do not call or e-mail you within 3-4 days of receiving your application, it means that either.

1. The pet was assigned to another applicant for fostering, or
2. We felt that the situation presented on the application was not the right situation for that particular pet or for you.
